

One night.
Five new, available pilots.

Staged readings + food and wine.

The poster features a dark blue background with a bokeh effect of colorful light spots. In the top right corner, there is a red circular stamp with the text "Feb 23" and "7 - 9pm" in white. Below this, the word "SCRIPTWRIGTS" is written in a white, serif font with a film strip graphic integrated into the letter "I". The main title "TV PILOT SHOWCASE" is in large, bold, white sans-serif letters. Below the title, the text "COCKTAILS. NOSH." is in red, and "FIVE ORIGINAL PILOT EXCERPTS." is in white. At the bottom, the email address "email scriptwrightsshowcase@gmail.com" is written in white.

Feb 23
7 - 9pm

SCRIPTWRIGTS

**TV PILOT
SHOWCASE**

COCKTAILS. NOSH.

FIVE ORIGINAL PILOT EXCERPTS.

email scriptwrightsshowcase@gmail.com

our writers are proud to have worked with these and other companies

MOMINATRIX

(1 hour cable comedy/drama)

PTA meets BDSM when a God-fearing, Texas homemaker finds empowerment

as a wife and mother by developing a secret life as a Soccer Dom.

by Stewart Schill - 3 time ACE nominee for editing for American Horror Story, Battlestar Galactica and Dexter and writer/director for features, Brittle Glory (Tony Curtis) and Frank v. God (currently in festivals). Stewart has been a Nicholls finalist and has had development deals past and present with James Cameron, Fox New Regency/Luke Greenfield, Relativity Media/ Peter Chelsom, and Sky TV in Britain/Mark Verheiden.

FISHNETS

(1/2 hour comedy)

A "b" team of New York singers and dancers who didn't make the cut for Broadway, travel the deep south performing at riverboat casinos while being shadowed by a reality show.

by Shelli Wright - a long time ad agency copywriter, Shelli also spent 9 years as choreographer and director of casino theater productions before turning to film and television writing. She was creator and co-EP of "The Anea Show" for PBS, wrote theatrical features for the US Air Force, and won or placed in competitions such as Austin Film Fest, Scriptapalooza. Fishnets was one of 2 pilots in the Broad Humor Film Festival finals (as alternate title Bus & Truck).

THE SUNDOWN PROJECT

(1 hour sci-fi)

At a clandestine desert base, military test pilots volunteer for a time travel program run by a daring female scientist.

by Glynis Ahearn - a writer and UCLA graduate with a focus on well researched genre storytelling in science fiction, supernatural and action/thriller material for film and television. Currently she is writing a science fiction series for audible .com as part of their new slate of original, scripted audio content.

BOONE

(1 hour drama)

Daniel BOONE, an American Frontiersman and war hero travels thousands of miles of new territory in constant engagement with enemy forces: Native tribes, European land grabs, and a hostile natural environment. But the question isn't how you live with the threat of constant death; it's how do you live without it?

by Kathy Boutry - Katherine Boutry got her PhD at Harvard where she taught screenwriting before moving to LA to write for the Lifetime/Lionsgate television show "Missing." She developed a pilot for Oxygen, sold the pilot, The Virgins, in development at Sundance and is currently adapting the bestselling novel "Three Junes" for television. She writes episodes for "The Haunting Hour" series and was a participant in the Warner Brothers Drama Writers Program. She got her Masters from Georgetown, where she was an EMT for the student-run ambulance service and spent a semester at the Sorbonne in Paris as well as receiving a Fulbright Scholarship to the Czech Republic.

SAFEHOUSE: SALEM

(1 hour dark fantasy/drama) - An ex-witch helps the magical creatures and people who seek protection from whatever nasty thing is chasing them, but her own dark past is putting innocent lives at risk.

by Angelle Haney Gullett- originally from Dayton, Ohio, Angelle worked as a journalist on the crime and obits beat before she turned her hand to writing for stage and film. She was a 2014 Nicholl Quarterfinalist, nominated for the 2015 Fox Writers Intensive, and is currently developing and writing digital projects for Sony Pictures Television.
